

B'tzeit Yisrael

103a

Version 2

Trad.
Arr. Stuart Izon

This traditional melody is by far the most commonly used tune in the UK – I imagine that many congregants would struggle to name another – yet it is completely unknown in other parts of the world. Intriguingly given this background, it is not found in the Blue Book and only first appears in Bernard Cousin's 1952 volume "Sabbath and Festival Music for the Home".
