

Y'did Nefesh

1b

Version 1

Yitzchok Alster
Arr. Stuart Izon

This well-known melody was written by Yitzhok Alster and is a favourite for many at Seuda Sh'lishit, though there is no particularly compelling reason to not use this melody at Kabbalat Shabbat or to necessitate it for Seuda. Alster composed it as a young man, sitting at a lake in the Catskills, and it was first recorded on the 1960 album "Torah Lives and Sings", a collection of melodies composed by scholars of the Bet Hamedrash of the Mesivta Rabbi Chaim Berlin. Despite its popularity, I have observed that many people don't actually know the melody line and prefer to sing one of the harmony lines instead.
