

Melech Elyon

240c

Version 2

Geoffrey Shisler
Arr. Stuart Izon

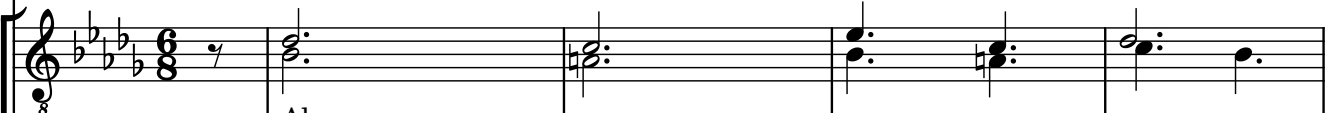

Geoffrey Shisler's melody is in the minor, which is atypical, as most tunes for Melech Elyon are in a major key. Nevertheless, in his own characterisation, "it is not a 'down' melody and whenever I sang it over the years I always made it quite upbeat". The simple and melodic line makes it easy for the congregation to join in on the words "Melech Elyon" at the end of each verse.
