

V'al Y'dei Avadecha

264a

Version 2

Louis Lewandowski
Arr. Stuart Izon

Lewandowski's V'al Y'dei Avadecha is widely considered to be one of the most beautiful compositions in the entire liturgy. Indeed the lyrics are some of the most moving words from Tanach. While the Torah often portrays the Israelites in the wilderness as rebellious, stiff-necked and ungrateful, these verses from Jeremiah describe how the Israelites were willing to follow God into the desert to a destination none of them had seen, echoing the journey of faith which Abraham and Sarah took.
