

Mim'kom'cha

45a

Version 2

Yechezkel Shraga Rotenberg
Arr. Stuart Izon

This moving melody for Mim'kom'cha was composed by the Bobov hassid, Rabbi Yechezkel Shraga Rotenberg, who was gabbai of the Kedushas Tzion, Rabbi Ben Zion Halberstam. It is filled with anguish, and while it was apparently well known during the Holocaust, it found a wider audience after it was included on the second album by Pirchei Agudath Israel of America. Rotenberg was murdered in the Holocaust.

Lento espressivo, quasi recitativo
