

Sh'ma Yisrael

54d

Version 3

Julius Mombach
Arr. Stuart Izon

Mombach's melody for Sh'ma introduces a simple theme beginning on the dominant, and rising up to the mediant before resolving to the tonic. This theme is repeated for Echad, and continues in his L'cha Adonai.

It is customary to switch to different melodies for the Torah service on Festivals, though this custom is certainly less prevalent than it used to be. Whilst some communities use Mombach's composition as their regular shabbat melody, it is traditional in many congregations to use this on Festivals (together with the matching L'cha Adonai).
