

Boi V'shalom

10q

Version 2

Shlomo Carlebach
Arr. Stuart Izon

As might be expected, Carlebach composed several melodies specifically for L'cha Dodi, along with various others which have been adapted for it over time. One of my favourites is this beautiful tune for the final verse, Boi V'shalom. Of course it could easily be used for the last four verses — or even from the beginning.
